Hallam Medical are privileged to be invited again to support the work of the Queen's Nursing Institute.

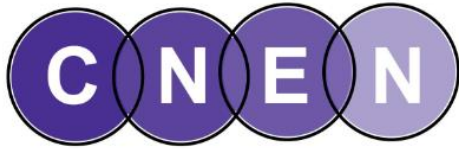

As Primary Care recruitment specialists, we want to ensure best practice in Community Nursing, by supporting the QNI's excellent achievements and continued commitment within this vitally important sector of healthcare.

Our reputation for providing high quality clinical care coupled with our unrivalled clinical knowledge is the reason more NHS and private healthcare providers source their staff through us.

We supply Advanced Nurse Practitioners, Community Nurses, Mental Health Nurses and 111 Clinical Advisors in to Primary Care and Community Service settings.

To find more about working with Hallam Medical Contact us today on **0844 335 0395** or email us [recruitment@hallammedical.com](mailto:recruitment@hallammedical.com) .

## QNI Website update

The QNI is thrilled to announce the new CNEN, password protected area of our website is almost complete.

When the network was formed last year we asked members how they wished to communicate – an online message board was one of the preferred ways.

The new members' area can be accessed by user name and password only, so CNEN members can share work and have discussions in a private space. Please keep a look out for an email containing your unique member user name and password in the next few weeks. The email will contain instructions on how to change the password to something more memorable.

Once login details have been sent out we invite all members to email the QNI CNEN administrator with projects, documents, blogs or anything else they wish to share with the group.

This will then be uploaded and available for other members to read, download (if the author allows) and comment on.

Please see some screen shots of the new members' area on the reverse of this sheet.

We hope this new digital area will be an effective way for CNEN members to contact each other, facilitate discussion and share best practice.

For any queries please contact Charlotte Bevan [charlotte.bevan@qni.org.uk](mailto:charlotte.bevan@qni.org.uk) .

Thank you.
